Thought of the month:
 "If I win the Lottery I'm
 going to buy every Club
 reader a drink" – A. Liar,
 New Year, 1995

Welcome to Club's **kinky** issue...

Kinky? We're all a bit kinky, aren't we?

Aren't we...? But it's all relative really – well, getting off with your cousin is **relatively kinky**, anyway. No, what I mean is that things you might think are a bit south of the border, over the top, or downright depraved, could be a normal Saturday night's nookie for your mate. Personally speaking, I can't even get a hard-on without *Brookside's* **Beth** sucking on my plums. Which, come to think of it, probably explains why my sex life is so shit.

I also happen to know that our very own **Tina Hayes** enjoyed squeezing into her **rubber** outfit so much that now she can't shag in anything else. You can see her wearing it on page 14. Another **kinky little kitten** is **Patricia** (Page 33). From what I hear, what she doesn't know about double-ended dildos isn't worth knowing... Okay, that's complete bollocks but it makes you think, doesn't it? Which is more than you can say about some of the features we've got on show this month. **Gavin Hills'**

Lads' Guide to Kinky Sex is blunt and to the point, but could give you some new ideas for what to do between the hours of three and seven next Sunday afternoon.

Babs Hall's trip round the Capital's **kinkiest night clubs** is a bit of a laugh and **Jake Black's** scary run-in with the **X-Press** crew is a... Oh, what am I talking about? I can't even think straight. I just can't get our **MEGA-SMOOCHIE-SEX-POT GIRLIE OF THE YEAR** off my mind.

Problem is, she told me she'd rather have the flu than me. So you'll just have to have her instead. And why not? You voted for her, after all. Still, when I win the **Lottery**, and I'm living it up on champagne and spliffs I bet she'll change her mind. Now, someone lend us a quid, will you? – *The Ed*

VIVA RÉNATA!

Big congrats to all at Club for warming my cock on a cold winter's day with the stunning snaps of sexy seniorita, Rénata, in the latest issue of Club (Vol 23 No 12).

There I was, trying to coax some warmth out of a reluctant gas fire when I clamped eyes on Rénata. Sod the fire, soon it was my cock that was burning! Seeing Rénata's curvy bum, long legs and firm tits as she lounged by the pool in Seville reminded me of my summer break in Spain.

I went over to Malaga in July with a few mates for a booze 'n' bonking break, although after seeing Rénata's welcoming smile and irresistible pussy I couldn't help feeling a twinge of regret that I hadn't chosen Seville instead!

Rénata really is the sort of girl I adore: her good looks and dark skin left me speechless. I've already put my vote in for Rénata as the girl of the year and I just hope that we see a lot more of this curvy continental. — Neil, Reading

DOUBLE DELIGHT

I've been buying Club for five years, and the mag just gets better with each issue. The women you feature every month never fail to amaze me — where exactly do you find these girls? I have to admit that it's the letters I enjoy the most, and after the events of last week I couldn't resist writing in and sharing my experience with your readers...

My name is Dirk, I'm 25 years old and I live just outside Leeds. Every Friday night, I head into town with a load of my mates for a bit of fun, taking in a few pubs and then a club on the way. Anyway, by about midnight

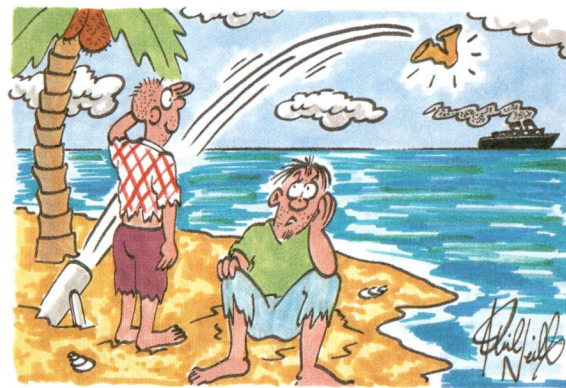

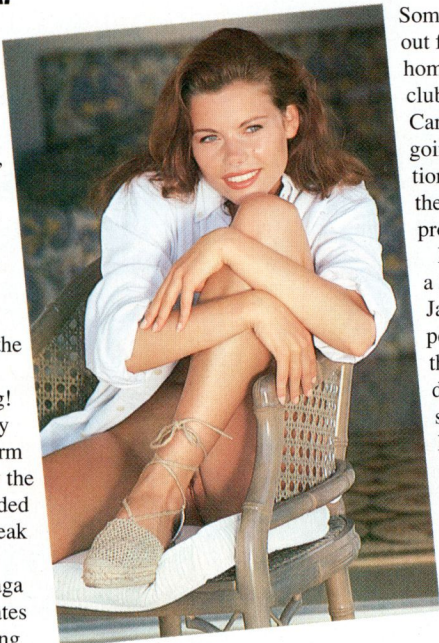

We've got the dirtiest readers there are! Send in your lewd letters to: In The Bag, Club International, 2 Archer Street, London W1V 8JJ

we were all pretty leathered. Some of my mates bowed out for the night and headed home, while I went on to a club with two lads, Jake and Carl. The place we were going to has a good reputation and I've always scored there; this night was to prove special though...

I fancy myself as a bit of a John Travolta, so while Jake and Carl continued pouring beer down their throats I headed onto the dancefloor and began strutting like a peacock. It didn't take long before I'd attracted the attentions of a stunning girl. She looked about 19

years old, with long red hair and was dressed in a short tartan skirt and a skintight tee-shirt. I was mesmerised; she had a really trim figure and a cracking pair of tits. What's more it was obvious that she liked me too and she was soon dancing opposite me, thrusting her hips and boobs out and grinning madly. We must have been dancing for a good hour before she dragged me off the dancefloor and towards the bar. She introduced herself as Cindy, then told me to stay where I was. "There's someone I'd like

you to meet. I'll be back in a few minutes, okay?" I nodded. I wasn't sure what she was planning, but I grabbed myself a beer and stayed put. Sure enough, a few minutes later Cindy came bounding towards the bar. "Close your eyes," she said, "it'll be worth it, I promise." I did as she asked, then a few seconds later she told me to open them. When I did I got the shock of my life. Standing right in front of me was a girl who looked identical to Cindy. "This is my twin sister, Carrie," she announced. Jesus, I could

body beautiful

Boris Vallejo is one of the world's top fantasy artists and is best known as the visual creator of *Conan the Barbarian*, so it's no big surprise to find that his book, *Bodies*, is filled with photographs of women who

look like they could beat Schwarzenegger in an arm-wrestling bout! "A lot of people aren't familiar with the super bodies of body builders," says the Peruvian-born artist. "These people dedicate their lives to building their bodies and this proves that they do exist."

Christ, Boris, you can say that again, mate! If your idea of a really fit bird is a woman with thighs like tree trunks who looks like she could go twelve rounds with Mike Tyson, then be my guest. If on the other hand "you want to see a beautiful body" as Boris claims, then I'd stick with Club each month. 'Nuff said? ♣

already feel wicked thoughts racing through my mind and my cock started hardening at the prospect of getting to grips with these two girls. In the event, it was Cindy and Carrie that made all the running.

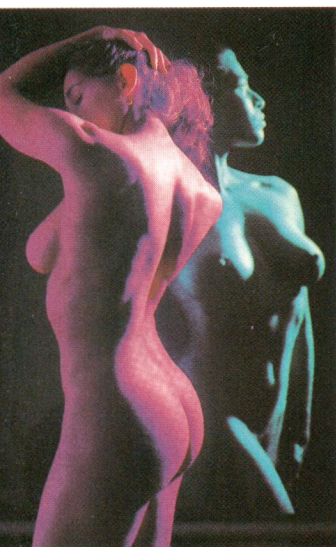

Taking hold of an arm each, they pulled me away from the bar and towards the ladies toilets. Obviously I didn't resist – not one little bit! One of my fantasies was about to come true, and to say I was overjoyed would be an understatement. Cindy and Carrie led me straight into a cubicle and then bolted the door.

It was very cramped in the cubicle, but that did nothing to dampen our ardour. While Carrie sat down on the seat, Cindy pulled me close and kissed me. Her tongue snaked around my mouth and her hands clawed at my shirt, then I felt another pair of hands undoing my belt and pulling my trousers and boxers down! I looked down to see Carrie moving her mouth

anna

Anna has a New Year's resolution – to act on her sexual impulses. "When I spot a man I fancy, I waste far too much time deciding whether to make a move on him," sighs the 21 year old blonde beauty from Bristol. "Well, not this year! As soon as a fanciable fella appears I'm going for him!" So exactly what

LIV TYLER

Liv Tyler is the daughter of a famous rock star, but it wasn't until she was 10 years old that she discovered her dad was Aerosmith's Steve Tyler, and not Todd Rundgren as her mother had told her.

"He was using a lot of drugs at the time," she says. My mother did it to protect me." They are now the best of friends, and 17-year-old Liv recently appeared in a video for the band's single, *Crazy*, playing a sexy nymphet! "I had no problem with it, Steve had no problem with it, and if people do, it's their problem."

Liv has just quit modellin to work on her third film, *Empire*. "Modelling was too external," she says. "I feel for the girls who want to be models. Everyone wants to be your friend."

Can't say we blame 'em, Liv... especially if they all look as good as you! ♣

FEET OF STRENGTH

They're hard as nails in the Old Royal Oak in Wetton, Derbyshire – toe nails, that is. The pub is the world centre for the revival of the old Tudor sport of big toe wrestling. The rules are simple. Heels have to be firmly on the floor before the protagonists lock piggies (competitors who don't toe the line are kicked out). Each competitor then socks it to their opponent till he forces his foot to the floor. And it's not just the smell of these hard men's feet that's strong – as you'll find out in the car park if you call one Tootsie for a joke. You'll be nailed. ♣

ARSE GRASS

Feeling for lawn? Then have a nice sit-down on the ultimate green chair. Upholstered with living grass, it's the ideal way to recreate the pleasure of shagging outdoors in the winter. Feel those willowy

blades tickling your bollocks! Get piles sitting down whilst it's still damp! Or paint a penalty spot on it and practise your shoot-outs. But make sure you turf your dog out if he gets near it – unless you want a pile of poo on your furniture. ♣

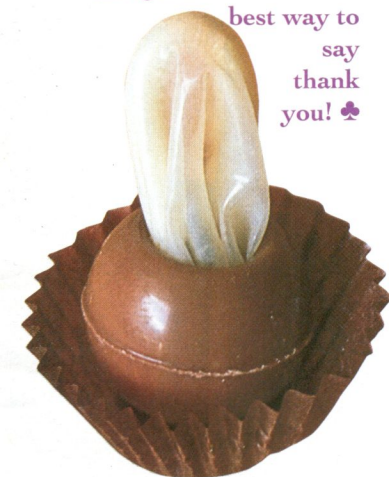

SOFT CENTRES

And all because the lady loves, well... shagging! Chocolates are the ideal present for the girl you fancy, especially these. Swiss sweet maker

Heinz Karlen's box of Milk Lay offers an assortment of centres – including condoms.

Perfect for the girl who truffles with your affections, the sweet-meats make a tasty mouthful – though I'd think twice about some of the cream fillings if I was you. And you thought Roses were the best way to

say thank you! ♣

insight

The last time I appeared in this column, I genuflected on the joys of rifling good crime novels from the shelves of respectable book sellers in the West End of the Big Smoke. I don't know how many readers had a go themselves – it would be nice if somebody wrote in to say they had followed my tips... and then got caught.

Anyway, if any of you did have a go and wish to continue with habitual shoplifting, you could do a lot worse than swipe anything by the X-Press, Britain's coolest publishing house. Their first novel to hit the streets was

had perpetrated the deed. Others frantically phoned friends and asked if it was okay to use their settee for a couple of nights. Some, fearing for their personal safety, fled from London completely, setting themselves up in much safer places like Bogota and Phnom Penh.

Of course the panic was unnecessary, because it was a prank by those dudes down at X-Press designed to plug their latest epic, *The Cop Killer*.

The Cop Killer is the story of taxi driver Lloyd Baker, whose world falls apart when his mother is shot dead by police during a drugs bust that goes wrong. He goes completely ga-ga and sets out to wreak revenge on the policemen involved. *Alice In Wonderland*, it ain't.

But exactly who are the people behind X-Press, these people referred to by Darcus Howe on a recent episode of *The Devil's Advocate* as "the barrow boys of literature"? The driving force behind the company are two guys from Hackney, Steve Pope and Dotun Adebayo, who started things in Steve's flat to get

The book was an instant smash, and was swiftly followed by something that made *Yardie* look like

Picture the scene: it's an April morning, 150 news and literary editors in the national and local press received the following message, 'On April 21st, I start to settle the score, *The Cop Killer*. The message, printed on an A4 sheet of paper, managed to cause a frenzy. Mainly because stuck in the folds of the paper was a 9mm bullet. Some journalists demanded the instant arrest of the screwball who

books. We made a nonsense of that." The book itself was slated by plenty of other publishers, until Steve and Dotun picked up on it and spent a week driving to cities all over the country distributing it themselves.

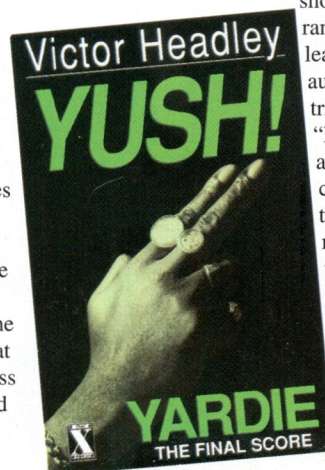

They managed to shift 12,000 copies and the BBC have just bought the film rights.

X-Press have even found themselves moving into the mainstream with WH Smiths introducing a black fiction section to its inner-city branches. And they themselves have branched out into other areas of fiction with titles like *OPP* by Naomi King. Described as a black Jackie Collins, the book tells the story of Max, Beverley, Andrea and Marlene – "the sexiest posse in Brixton". Other

titles include the political thriller, *Jamaica Inc*, by Tony Sewell and the deranged *Lick Shot*, a tale of mad nazis and a black cop who "doesn't give a fuck about the rules and is out to stop the white tribe". Also worth checking out is *Moss Side Massive* by Karlene Smith, the UK's first black female crime writer.

Although a lot of the books have been slated for their depiction of shootings, drug-taking and random acts of violence, I leave the last word to the author of the *Yardie* trilogy, Victor Headley: "Behind the storyline, plot and the efforts of the characters to live up to their dreams or nightmares, there is one thing that I know to be true – the lack of alternatives brings out the worst in anyone. That really is the moral of the stories." *Jake Black ♣*

tina hayes **sex babe!**

Photographs by Maria Clarke

Hello boys... It's Tina here and I hope you're all ready to 'rubber' me up the right way! Yes, as you can see, I've squeezed myself into a rubber outfit. The dress, thigh-length rubber stockings, bra and knickers are all made of rubber – and they feel great!

I feel very sexy as I dance around the room, admiring the way the costume clings to my body. I have to admit that I look good dressed like this, but I'm sure I'd look even better *undressed*, don't you think?

I start by stripping off my dress, so that you can all see the bra and knickers I'm wearing underneath. Don't they look good, lads?! I run my hands over my body, then undo

my bra and slide the knickers down past my knees. I'm almost naked, except for the stockings, but I'll keep these on 'cos they feel so sexy! All this undressing has made me very randy, and I lie back on the floor and begin to run a finger up the inside of my thigh. I'm sure I don't need to tell you what happens next, do I? I slip a finger inside my warm pussy and bring myself off...

your head. I can feel your wet lips envelope my helmet before your tongue runs up and down my shaft and you start sucking hard. I can't take it any longer and I quickly pull into a layby and you expertly finish me off, lapping greedily at my cock until I buck my hips and my sticky load pours into your mouth.

I hope you like the sound of my fantasy, Tina. I'm sure that driving off after that would be the last thing on my mind! – *Sean, Hull*
You're right, Sean! We'd get out of the car and I'd lie across the bonnet and drop my jeans and knickers to the floor. You'd plant kisses all over my body and then start to tongue my wet pussy. I climax in seconds and I'm desperate to feel your cock inside me. You rub your cock against my pussy lips before entering me deliciously slowly, an inch at a time. You're soon thrusting in and out of my wet hole until you can't hold back a second longer and shoot your spunk inside me. I scream in delight as an orgasm rips through me and we both collapse onto the bonnet, exhausted but happy!

letters to **tina**

Dear Tina,

I've been travelling across the United States for the last few months and have only recently returned to this country. On landing at Heathrow, I immediately bought the new issue of Club and was overjoyed to see you inside.

Without doubt you are the most gorgeous girl to ever appear in the magazine – you have wonderful breasts, a delicious looking pussy and the most incredible bum I've ever seen! I spent a great deal of time hitch-hiking in America and my fantasy sees you as a hitcher who I pick up...

It's a very hot day and you're dressed in a flimsy shirt and a tiny pair of cut-off jeans. I pull up to you in my car and wind down the window and ask you how far you want to go. In reply you lean through the window allowing me to see down your top. "You can take me as far you want," you purr sexily.

We haven't been on the road for long when you suddenly move towards me and tug my belt undone. "Just keep your eyes on the road," you giggle as you lower

Dear Tina,

Your wonderful appearance as a frisky maid in Club (Vol 23 No 12) fulfilled a favourite fantasy of mine. The fact that you have also dressed up as a nymphomaniac nurse means that there is only one further costume I would like to see you dressed in.

I travel abroad regularly, and often fantasise about the sexy stewardesses that serve food and drinks on the plane. I reckon you would look fantastic dressed up in one of their sexy uniforms.

I can just imagine you giving me first-class service and I'd hope you wouldn't turn down my offer of joining the Mile High Club!

How about it, Tina, would you like to fly with me?! – *Ian Southampton*

I think I could be tempted, Ian! Last year I flew across to Spain for a holiday and I just couldn't keep my eyes off the sexy stewardesses myself! I reckon we'd either have to borrow one of the uniforms, or to invite one of the girls to join us in a thrilling threesome. What do you reckon to that then, Ian?! – Tina ♣

Isn't it always the same, folks? You sit twiddling your thumbs just waiting for a great band to come along and KNOCK YOUR SOCKS OFF, then three pop up at once!

First up are **Veruca Salt** (yeah, I know, dreadful name) who drove me FUCKING INSANE last year when their irritatingly brilliant single, *Seether*, swamped the nation's airwaves. Founder members Louise Post and Nina Gordon first became acquainted on an assertive-ness course in Chicago

during 1992 and decided to form a band. Naming themselves Ugly Kid Joe, they soon had to change the name when they realised a second-rate bunch of METAL DORKS got there before them. Looking to *Willie Wonka and the Chocolate Factory* for inspiration (Veruca Salt was the name of the horrendously spoilt brat in the book) they renamed themselves, signed to Minty Fresh Records and recorded the 21 songs on their debut album, *American Thighs*, in just 24 hours. Hey, punk FUCKING rock!

Bring out your dead – that means you Pink Floyd! – there's a new wave of young bands kicking out the jams and showing the old farts how to really rock 'n' roll, says

SALE OF THE EARTH

Veruca Salt: music to make your feet tap

I reckon they sound like The Pixies on helium, but you can judge for yourself when they play the UK later this month. Go and check them out but pretend you've been a fan for ages.

Now Belgium is not exactly the VALHALLA of rock music. The country did give us Plastic Bertrand and, well let's be honest, not a lot else. Thankfully the balance may be redressed somewhat by the arrival of *Worst Case Scenario*, the debut album from **dEUS**. The five-piece

band combine the sounds of The Clash, Sonic Youth and Faith No More – which means they ROCK, and they don't sing in Flemish either.

Last, and certainly not LEAST, are *The Flying Medallions*. Coming from the same label that brought you All New Accelerators and The Walking Abortions, their debut album is out now on Acupuncture Records and has

the wonderful title *We Love Everybody And Everything's Great*. Apparently it's been a long-held ambition of the group to be featured in Club, and we're only too happy to oblige. Blimey, I feel like Jimmy Saville...

● **Viva La Megababes!** Well, they said they wouldn't last... but we're happy to report that far from being the ONE HIT WONDERS everyone assumed they would be, **Shampoo** last month

Shampoo: suds, drugs and rock and roll

dEUS: from Brussels with love

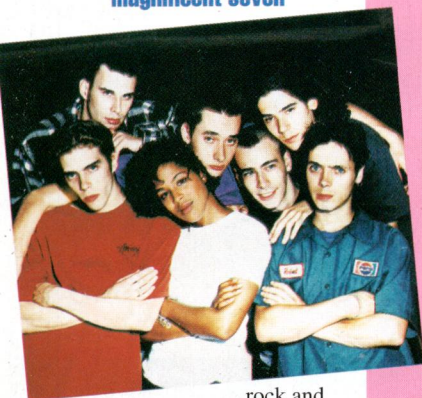

Betty Boo: next month's centrefold?

released their debut album, *We Are Shampoo*. And it's fucking brill too.

● **FULL ON ROCK AND ROLL ACTION** was the order of the day down at Harlesden's Mean Fiddler last month, when Club witnessed a secret gig by **The Black Crowes**. The group may be led by a man who looks like he was woken up minutes before the gig, but you couldn't possibly fault their music. Taking the stage for a

blistering two-and-a-half hour set, Chris Robinson and his merry, if slightly scruffy, men brought the house down. Stinking out the venue was Primal Scream's SOAP DODGER, **Bobby Gillespie**, who has gone to extraordinary lengths to recreate that elusive rock sound. His efforts including employing the services of Jimmy Miller (legendary Stones producer) and recording in Memphis (presumably for the 'vibes', man). He's also indulged (and never stopped going on about it) in the sort of gratuitous drug-taking and debauched

The Flying Medallions: magnificent seven

rock and roll behaviour that has left him looking in the sorry state he does now. The irony has not escaped Robinson, who slagged off Gillespie in a recent issue of *NME*. "That kid ripped me off," fumed Robinson. "Someone should to give him a smack in the mouth, and I'm your man!"

Sadly Gillespie legged it from the venue before Robinson could dispense a beating. We last saw him heading down Harlesden High Street looking like he'd lost a tenner and found a pound. Back to the drawing board, eh Bob? By the way, exactly how old are you, mate?

● Finally, **Betty Boo**, may have been unceremoniously dumped by London Records last year, but it looks as though she may get the last laugh. Moody babe **Madonna** has been telling all and sundry how highly she rates Betty and wants to sign her to her own Maverick label. Of course, if it doesn't work out, Miss Boo, there's a centrefold here at *Club* with your name written all over it... See you later ♣

Apparently there is no such thing as a free lunch. There is, however, such a thing as free peanuts, sandwiches, little sausages, beer and champagne. This I can confirm as I recently attended a friend's book launch and this was all available without any payment whatsoever. Free alcohol is a great concept, but it does have its drawbacks. The problem is, you never know when to really stop. Perhaps, as a point for future reference, you should stop when you stick your dick in a Koi carp's mouth.

It all started when a dear celebrity pal of mine invited me along to his bash at a leading London health spa. It was a grand affair and a delightful setting. There was a bar by a swimming pool which cascaded with ivy and swings. I was informed that this was the place that Joan Collins did her infamous swimming pool scene in the 70s soft-porn flick, *The Stud*. On a lower level an ornamental Japanese-style garden offered walkways and pools teeming with Koi carp. Koi carp are the Rolls Royce of the tropical fish world. They have the appearance of large goldfish and the manner of playful puppies. They used to be the sole property of Chinese Emperors, but since Chairman Mao had his little insurrection any nouveau rich white trash can get their grubby hands on them.

After quaffing my first salvo of free champagne, I wandered through the party. I spent a couple of minutes checking out minor celebrities from the music scene. Then, to my great delight, I spotted the most gorgeous looking bunch of women you're ever likely to lay your eyes on. They were all about six feet tall, immaculately dressed, with the sort of looks that would halt a charging rhinoceros. After a few enquiries, I found out that they were a group of models from a local agency. This, I thought to myself, is a divine stroke of good luck.

We all have a strange image of ourselves. It's usually a far more sophisticated and better looking

READERS' LIVES

image. So thinking that I was James Bond, I sidled up to the lovely girls and offered them some champagne. This had long been a playboy fantasy of mine, you know – the smooth party schmoozer who knocks back champers and hits on the coolest babes. I'd never actually thought about what you do after you give a beautiful woman champagne. Of course, in my fantasy they smile sweetly, throw their arms around you and ask you where the nearest bed is. Unfortunately in real life it just doesn't happen like that.

Instead I just stood there and smiled. They smiled back. Not warm, friendly smiles,

but the sort of false smile you give your auntie as she hands you a hideous hand-knitted sweater at Christmas. Stuck for anything to say, I asked the girls if they'd seen the Koi carp yet. They hadn't. They wanted to. My luck was in. Three of them followed me downstairs to the ornamental pools, and I started to point out the fish in my best David Attenborough style. This made

Something fishy is going down for **Adam Porter**, as he discovered when he attended a literary lunch, darlings...

them laugh. I soon realised that if I couldn't cut it as Roger Moore, I could probably just about hack it as Norman Wisdom. After a few more glasses of champagne, I started to clown around.

I started to feed the fish some peanuts, and before I knew it a shoal of them had swarmed up to me and the water was teeming with excited fish. This simple action had given me centre stage on the model front, so I chomped up some peanuts in my mouth and started feeding the fish directly mouth to mouth. I was the funniest man in the world.

"Yeah, get your dick out!" shouts my gang of Charlie's Angels

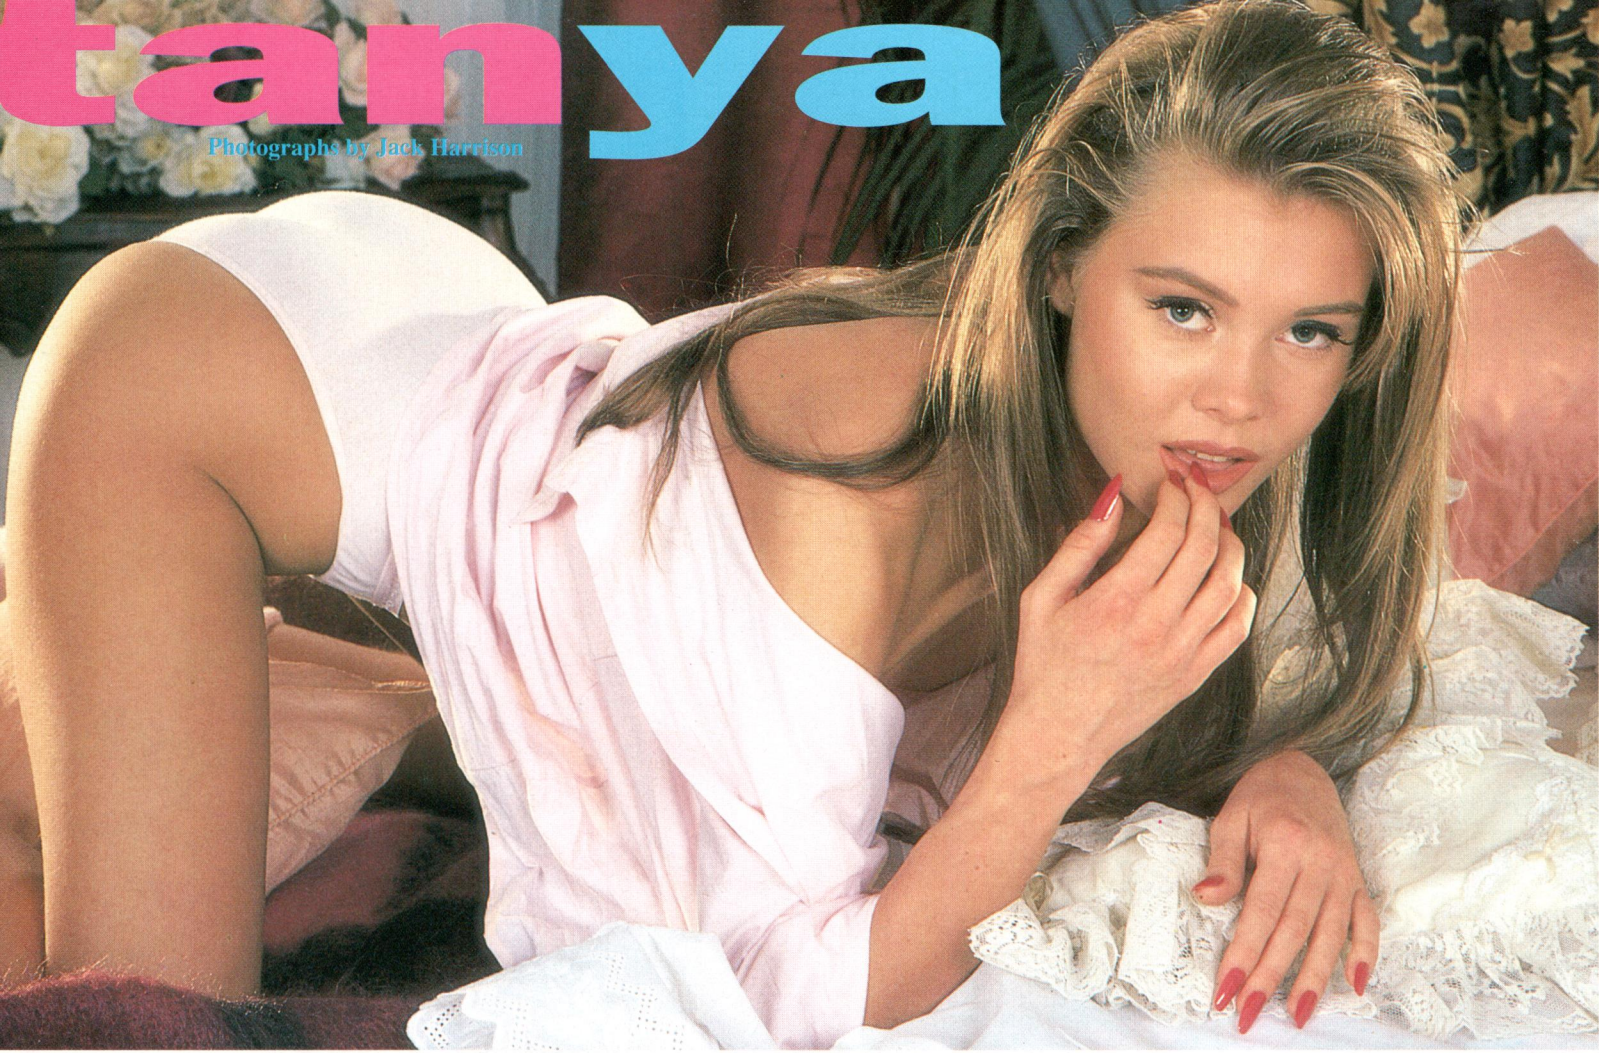

It was then that I had a few glasses too many. Egged on by my mate, who'd joined me and decided I was some sort of babe magnet, I climbed into the pond with the fish. Standing waist deep in a circle of oversized guppies, I started to feed them again. Ha-ha, what fun! "Get your dick out!" shouts my mate.

"Yeah, get your dick out!" shouts my gang of Charlie's Angels. Yes, you've guessed it. Muggins here gets his shrivelled little cock out, smears it in regurgitated peanuts and plunges it into the mouth of the biggest Koi carp. I remember very little after that. Needless to say I did not pull. It all went very wrong. I remember necking

a whole bottle of Dom Perignon whilst pissing in a flower pot. And there is a hazy recollection of running around with a bucket planning to nick some of the fish (Koi carp are worth about £700 a piece, I reckoned three or four and I'd have cleared my overdraft!). Sadly, I have to admit that, on reflection, there is no such thing as a free lunch. I know I've been paying for this particular episode ever since. ♣

I'll never forget the first time I went to a fetish club. Instead of heading out to a sweaty box in the West End and dancing around my handbag, I opted for Kinky Gerlinky, and had a whale of a time. In what became the most famous (and notorious) of the fetish clubs, I saw glammed-up trannies and poodled-up pooves partying their rubber-clad bottoms off. The club is still going strong and, with help from DJs like John Pleased Wimmin, Smokin Jo and Princess Julia, it still attracts the outrageous element who like to let their hair, and their panties, down.

But you don't have to be a tranny to enjoy the many fetish clubs around these days. The scene attracts all sorts. The only things they have in common are their desire for full-on fun and an open-minded attitude to sex. Here are some of the best kinky clubs around at the moment.

KINKY GERLINKY

This was the club that really set the rubber ball rolling, crossing over to the mainstream club crowd (mainly on the strength of the excellent DJs) and introducing thousands of straights to the fetish scene. Predominantly gay, high camp and 'attitude' is definitely the

SKIN TWO RUBBER BALL

This annual bash was held back in November in conjunction with fetish bible *Skin Two*. The party is often used by new kinky-fashion designers to showcase their outrageous collections. There's a real party atmosphere but it's more for the fashion-victim part-time perv than heavy duty harlots like me! Entry price is high (about £20), but then I make my man pay. Or else! ♣

OOOOOH KINKY!

From the first-timer to the hardened SM fan, all tastes are being catered for

order of the day. The club is held monthly at various London venues. Check *Time Out* for details.

TORTURE GARDEN

More underground than Kinky Gerlinky, Torture Garden insists on a strict dress code – which means rubber, leather or PVC. The music is pretty good, spinning everything from hardcore techno to disco anthems. Piercing and tattoos are popular kinks among the regulars, so there's always acres of naked flesh on display as people proudly display their weird and wonderful body ornaments. Held monthly at various London venues, it's well worth going along – if only to see the spankings and whippings in the notorious Torture Room. Ouch!

SUBMISSION

Despite its name, the club attracts a very fashion-conscious crowd, although there's plenty of vinyl and rubber costumes around too. The girls, in particular, are fairly young – 18 to 25 – and although there is a whipping room, the last time I was there people seemed a little shy to indulge. A gentle introduction to the kinky scene.

"It was all in the timing. It's weird, River Phoenix overdoses in front of a club in Hollywood, Kurt Cobain blows his face off, Winona Ryder puts out a silly movie called *Reality Bites* and Beck releases a song called *Loser*. And then we come along with songs about masturbation! The media really got off on this slacker, Generation X thing, but I think it's silly. Kids have been apathetic for generations, it's just the media took notice this time and threw a label on it." Punk runt Billie Joe is summarising the events of 1994 that catapulted his band Green Day to fame.

I've brushed my teeth three times. Fuck it, beer cleans your teeth!

Green Day are, in case you haven't heard, just about the biggest band in the States at the moment, spearheading a punk revival along with another combo, Offspring. Both groups appeal to the white youth of the US, and currently have LPs nestling comfortably in the US Top Ten. "We just happened to put a record out at this strange post-grunge time," says Billie. "Now there's loads of punk bands signing to major labels and they're being associated with us."

Musically, Green Day are hardly original but that hasn't stopped them

selling over two million copies of their new album. "I've always liked The Beatles and The Who," says Billie Joe. "Then I discovered Husker Dü, The Replacements and I ended up playing the guitar."

However, Green Day's position as the prime punk exponents of the 90s hasn't gone down easily with some people.

Tony Parsons, journalist and writer described them as "the Mike Yarwoods of the punk world", while West Coast hardcore fanzine *Maximum Rock 'n' Roll* called them "a prime example of underground acts sucking corporate ass". Billie Joe's response? "The editor should go and suck his own dick." Drummer, Tre, is keen to point out that "we were never hyped!"

Hyped or not, the band still managed to find themselves playing at last year's Woodstock 2. "That was great," says Billie Joe. "People were going mad and throwing mud at us and we threw it back. I loved it!"

The band have been on the road for almost two years now, but can't really think of any drawbacks. Well, maybe a few. "Billie has a bad dental hygiene

problem," says Tre, "but then so do I. A bit of my tooth rotted out in Holland. I've only brushed my teeth three times on this tour. Fuck it! Beer cleans your teeth good enough."

Their touring schedule has, however, left Mike with a heart murmur. "It's kinda cool though," he says. "The doctor told me to smoke more pot!"

On stage, the band seem to reach that elusive high, gobbing all over the front rows while murdering Survivor's *Eye Of The Tiger*. Billie Joe even admits that they cover Scorpion tunes when they play Germany. "They never get it," he complains. "We get bottled off because they think we're taking the mickey!"

Things aren't looking too bad for the band who come across like a stupid mixture of Ren and Stimpy, Beavis and Butthead and Spinal Tap. In fact, not bad at all for a band whose LP, *Dookie*, is just a childhood name for shit! "We always used it in the van," says Billie Joe, "and it kinda stuck!"

"I've never had any expectations," adds Billie Joe. "I've never had any goals. Rock star? My sister puts it another way, she's says I still stink out the bathroom when I use it!" ♣

An angry denial that the Aston Villa side are too old is undercut when Villa chairman, Doug Ellis, announces that as part of a major new sponsorship deal with Warner Brothers the club are renaming their ground *Jurassic Park*. George Best warns Ryan Giggs about the temptations of fame: "He only has to look at me," the Irishman says. "I spent millions, partied

Chris Eubank retains his World title on a controversial points decision. Tearful opponent Dave Nobody says, "I thought I'd done enough by knocking him out in the fifth round, but the judge saw it differently." A new Hollywood film about a genial idiot who takes a football team all the way to the top is not about Frank

Arsenal beat Leicester 15:0. Asked how he feels about his team's performance, George Graham replies, "Delighted. It's always pleasing when you keep a clean sheet". There's controversy in Australia after Mike Atherton accuses the Australian team of verbal abuse during the fifth test. The Australians deny the allegations. "It's just the sort of rubbish you'd expect that freckle-faced fuckwit to say," says a spokesman.

WORLD OF LOVER

Looking for those little extras for your house that say something about you — like you're an out-and-out pervert, for instance? Then look no further than Chiswick, darlings. There I've found this charming little company called Betelgeuse who produce soft furnishings for hard cocks.

For instance, guys, if you want your living room to prove you really know how to live, then how about one of their range of tarty tellies. You can cover your 14 inch in soft fake fur, Friesian cow hide or luscious leather for just £105 (or £245 with the telly as well). Yes, here is a TV with a knob you'll be aching to touch.

If you prefer to dip your wick in the bathroom, then how about a spread-legged Bathmate. The stockinged thighs stretch across your soap suds with a handy fanny for your flannel. No wondering where your Imperial Leather has slipped off to. Why, it's working itself into a lather in her labia — and with all those suds around it almost looks like your Camay has come!

For the bedroom, how about a four poster built out of two sets of stocks and a chest of drawers that is exactly

that — a chest with a pair of drawers on it. A laugh every time you look for your socks.

Finally, something to sit and swivel on — an inflatable armchair shaped like a knob and balls. At last a cock that goes up any time you like! Unfortunately, this piece is still at the planning stage, and the one we were shown was frankly tiny. "It'll get much bigger later on," said the owner. Haven't we all heard that one before, girls?

Betelgeuse call their range 'fun-iture'. To find out more about it and hear more cretinous puns, write to Betelgeuse, 1st Floor, 11 Greenland Rd, London W4 1AS. ♣

TIME OF THE MONTH

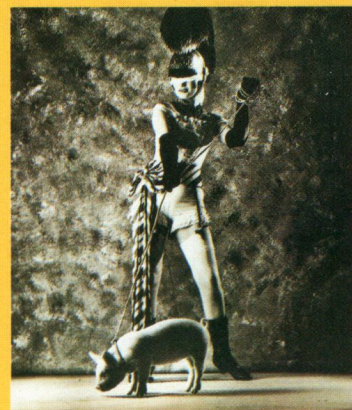

This year we decided not to bother with a calendar, as those nice people at **Redemption** have done the job for us...

If you thought that the Pirelli calendar was an eye-opener, just wait till you clamp your eyes on the 1995 calendar from Redemption.

Not content with releasing such gems as *Medusa*, *The Sphinx*, *Nubile Nuns* and *Ice Vampires* on video, Redemption's bid for world domination continues with the launch of their first calendar.

From January right through to December, there's an astounding array of 12 horror-chic images that have been created exclusively for the calendar.

They've kindly donated ten calendars for us to give away, and you can win one by answering this simple question: When exactly is the 'the time of the month'?

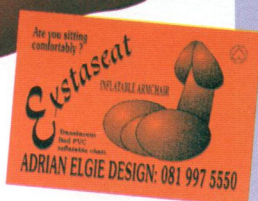

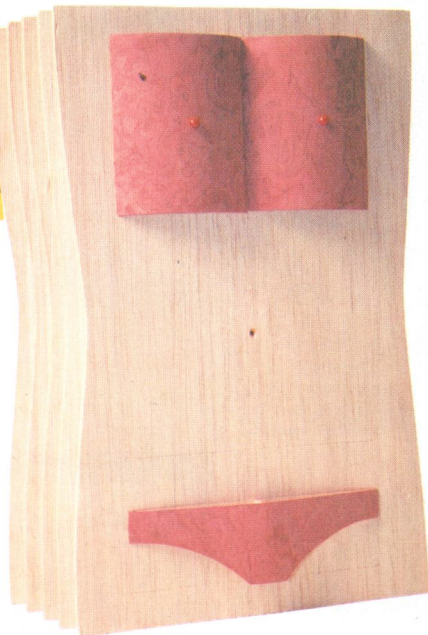

then? Answers to Club, 2 Archer Street, London W1V 8JJ.

However, if you're not lucky enough to win and you're desperate to own one of these exclusive limited-edition calendars, they're available from The Redemption Centre, PO Box 50, Stroud, Gloucs GL6 8YG for a cool thirty quid. ♣

Britain at its Best

There are a lot of fanzines and cheapo street mags on the shelves and one of the best is also one of the newest, *New Britain*. In it you'll find none of the usual celebrity arse-licking tripe normally associated with amateur publications. *New Britain* draws no distinctions between the rich and the penniless, the famous and the fraudulent, the talented and the charlatan. Rubbing shoulders with an interview with DJ superstar Andy Weatherall there'll be an even longer one with the guy who taps you for 10p outside the chippy, and a biog of a London Transport fare dodger.

NB's 24-year-old editor, Matt, claims that the mag's 'no attitude' attitude is its strength. "I sit firmly on the fence saying 'Look, this is how it is.' That's all. *New Britain* is about looking around our own country for culture, to see what's going on here rather than looking to America or Europe for everything. There's just as much stuff going on here."

"I started the magazine when I was working in a cloakroom in a London nightclub and it's a reaction to the mindlessness of hearing banging Euro/US techno all night and talking to drugged-up morons. I thought, 'Christ! There must be something better than this going on!'"

Despite its low-budget, photocopied appearance, *NB* could be described as the ultimate life-style magazine. "Yeah," says Matt, "it's got a little bit of everyone's life in it. My friends are just as interesting as celebrities. Even the bloke you meet in the pub has a good story to tell. There's more to street culture than some cunt with spiky hair standing on stage with a guitar. We're more into enthusiasm than name dropping and we want everyone to

read it: mums, little clubby girls, everybody."

Yeah? Well we don't know what our mums would say about the contribution by performance-art mad-head Leigh Bowery. His interview with a gay male porn star is a no-holes-barred eye-opener which left a very funny taste in our mouths. "I want to cause a reaction, not shock, but censorship is strictly out."

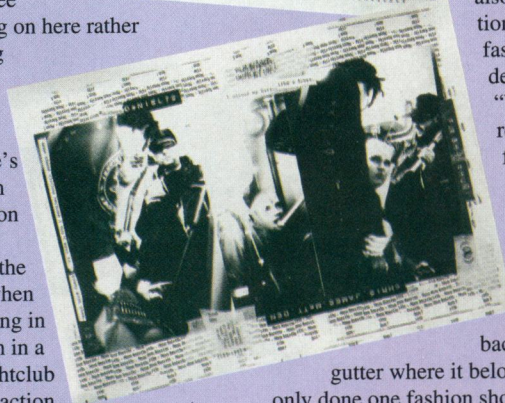

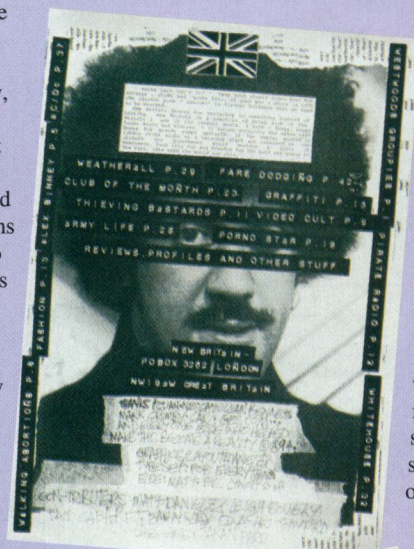

The magazine also has aspirations in the fashion department. "We want to re-possess fashion, drag it down from its high-camp pedestal and put it

back in the gutter where it belongs. We've only done one fashion shoot so far and we were all drunk so it's a bit crap. For the next issue I want to do something about fashionable glue bags; beautiful people in clubs sniffing glue out of Chanel bags."

In fact, *New Britain* has become so fashionable so quickly that the first issue was snapped up to feature in the Victoria & Albert museum's Street Style exhibition. "Yeah," laughs Matt, "it was fucking weird being history before we'd even got the second issue out. Very fucking weird."

So, more importantly, Matt, has being so trendy got you laid yet? "Mmm. But that's girls for you."

Yeah, but which girls? ♣

MIRRORS

There can be few things in life that give as much satisfaction as watching yourself make the beast with two backs with a lovely babe. It's kind of like having your own porn movie running at exactly the same time as the romp is going on —

with you as the star!

Of course there are those of us, like Elvis Presley, who prefer the mirrors to be above the bed, but apart from being expensive and potentially lethal, you miss out on the really good angles.

Top Tip: have one full-length mirror and another off-set for some interesting angles. Nothing beats a shag with a view.

THE LADS' GUIDE KINKY

CLITORAL STIMULATION

Being the perverts that we are, you may have noticed that some women derive pleasure from having their clitoris manipulated in a variety of ways. Would you credit it? A clitoris can come in a variety of shapes and sizes and it can generally take a bit of work to bring a woman to orgasm. Especially if you're the sort of bloke who thinks that whipping your dick inside a woman for two minutes and going like the clappers is great sex. Get this one right though, and she'll love you.

Top Tip: if you can't find it, ask.

FOOD

Some chaps swear by this. They think guzzling away at strawberries and a pint of Grolsch whilst snogging a beautiful woman is the real deal. Other people think it just makes you messy and sticky in all the places you'd rather not be messy and sticky. Preferred methods of food shag-

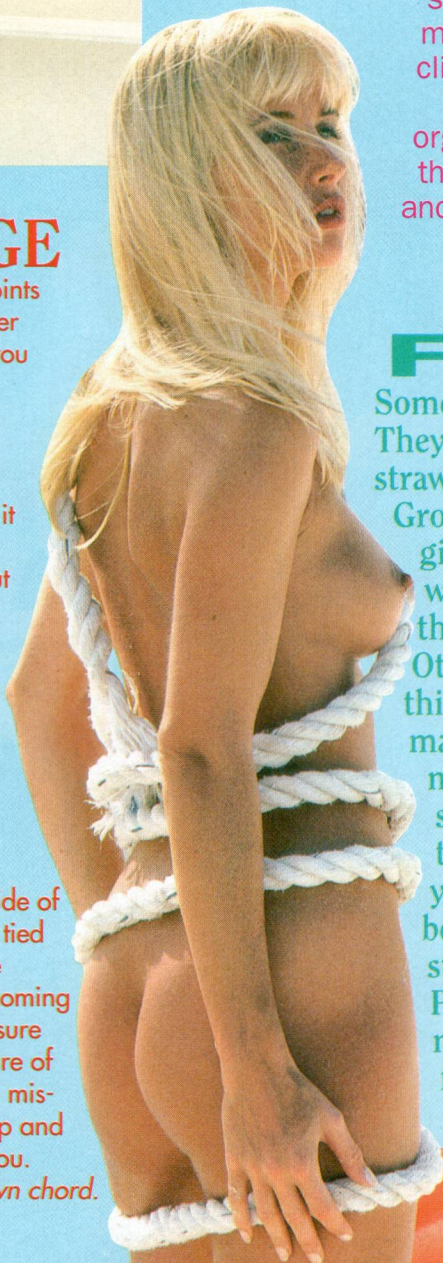

ging involve a wide range of foodstuffs such as cream, ice cream, honey and anything else sticky and sweet. Mashed potatoes and fish fingers are not a good idea.

Top Tip: hunt the marsh-mallow.

BONDAGE

If you've had fifteen pints and a curry, remember not to let anyone tie you up and forget about you. Some people seem to think bondage has a bit of an intellectual side to it all (I blame the Marquis de Sade), but bondage is just a bit of lightweight sub-dom. However, if you're not into being done up like a kipper and left to the depraved nature of your loved one, then leave it alone. Nevertheless, the upside of it all is that if you are tied up, you know that the majority of action is coming your way. Just make sure you've done your share of the housework or you missus may just tie you up and throw dish cloths at you.

Top Tip: dressing gown chord.

The Countdown Cum-undrum

Most good lads like to be a couch potato now and then. What better way to start an evening than with Countdown and the gorgeous Carol Vordermann? Here's a game that will give it a bit of extra spice...

Halfway through the game, after you've managed a good ogle at our Carol, the Countdown conundrum starts. Why not turn it into a Countdown Cum-undrum? When the clock starts ticking, whip out your pork sword and start flogging it. See if you can come before the clock finishes, coming in time with the 'der-der, der-der, didly-dom schwing!' noise. If you're really kinky, go up to the telly and see if you can come over a contestant's face!

NAUGHTY GAMES

There are a variety of kinky sex games that you can play with your loved one. I've described three of my favourites below, why not give them a whirl?

Lager Tops

This is for the man who likes to combine the delights of both oral sex and lager drinking. Start by positioning your partner with her back flat to the edge of the bed. Ask her to bend her legs and then, while supporting her

buttocks with your hands, offer her wide-open pussy to you cunnilingus-style.

At this point you top up your babe's love tunnel with your favourite beer. Then it's time to slurp away. Before you know it, you'll have a whole different sort of head on your pint!

Racing Certainties

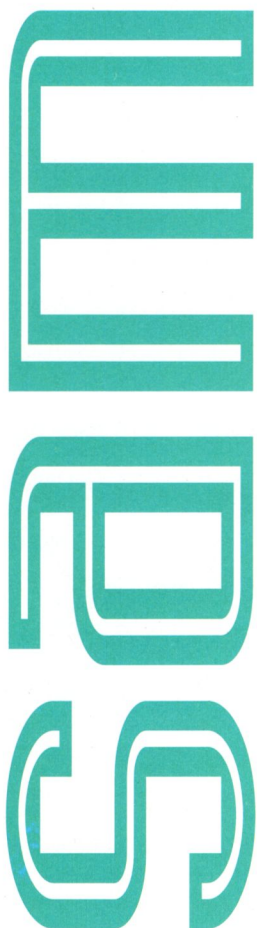

Like the Countdown Cum-undrum, this perversion requires a television and a living-room. Oh, and a willing partner would be very helpful.

Go down to the bookies and place a fiver on a nag in the televised race of the afternoon. Go home

and switch on the telly. When the race starts, you and your girl start humping.

The plan is to orgasm just as your horse passes the finishing line. This way the slower your horse, the more bonking time you have. You really are onto a racing certainty!

Firebrand Sam is a Scouser with a wild lifestyle and a temper to match. The 21-year-old hip-hop fan from Liverpool revealed how she loved the banging beats and raucous crowd last time she appeared in Club (Vol 23 No 4), but now that's all changed...

"Since I've discovered sex I'm a

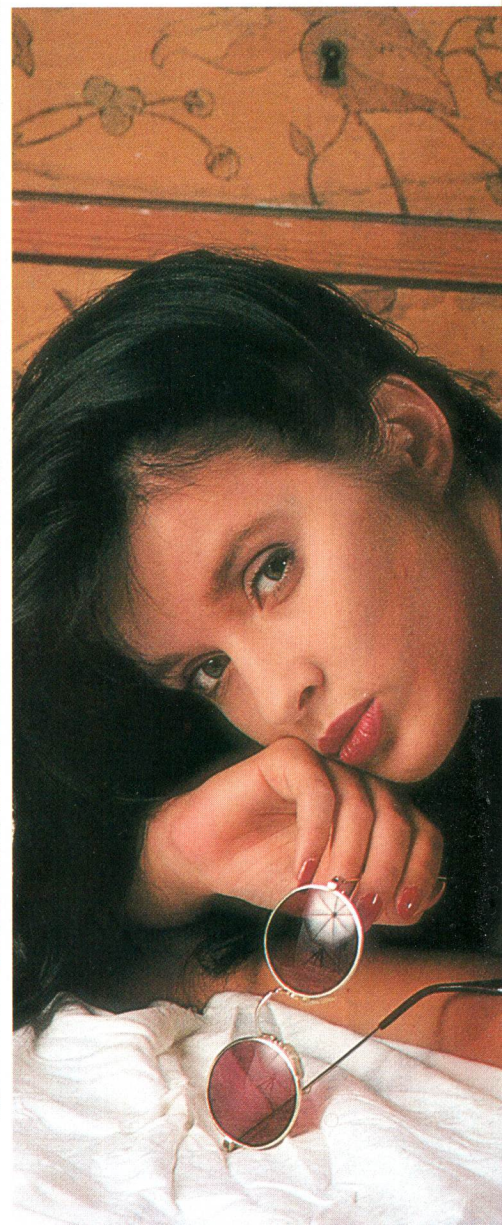

kitten – cuddly, but out with the claws in bed!” she giggles. “I do get completely carried away between the sheets. My nails dig into your back, I bite your chest and my blowjobs are painfully good! Believe me, if you’ve got it in you, I’ll suck it out!” ♣

WOMEN'S WRITES

Where the girls get down to business

FRISKY FOREIGNER

I'm a 21-year-old Filipino girl with what you might call an unusual figure. Most of the girls in my home country have petite figures with small boobs, but I'm very curvy and my boobs are full, firm and incredibly sensitive. When I was younger I used to be terribly embarrassed about them, but I soon realised that they made me the centre of attention from fellas. I love it when a man knows exactly what he's doing; that expert caress over my firm tits, teasing my nipples so that they stand out proud and ready to be sucked. I've even got to the stage now where a man can make me come without even touching my pussy, just my breasts!

I've also discovered that men love it when I take their prick between my boobs, wrapping my tit flesh around their shaft and then vigorously wanking them off. I love the sensation as they come over my tits, that gorgeous creamy white spunk dripping all over my boobs. I love to rub the jizz into my flesh, making sure that I stick a couple of fingers in my mouth so I get a taste of the salty flavour. I've always believed in having fun when it comes to sex, and I've certainly been

I soon found myself snogging him on the sofa, his hands fumbling around as he attempted to undo my bra. The poor boy wasn't exactly what you'd call an expert, so I thought I'd take the lead. I pushed him onto his back on the sofa and sat astride him, before taking off my top and bra. His eyes almost popped out of his head as my boobs flopped into view and his mouth immediately moved to meet them, his lips closing around my nipples as he sucked and licked them. I reached down and loosened his belt and

Things have become much more adventurous since then and I have learnt that the British are not in the least repressed about sex, like some people would have you believe. I've even experienced what it is like to make love with another woman. Penny is a mature student who drops into the college from time to time to help some of the foreign students with their studies, and it was after my course finished that she asked me if I'd like to join her for dinner. Penny is 26 years old, and has an incredible figure, very slim and fit but with large firm boobs like mine. I must admit that I was attracted to her the first time I saw her, but I never dreamt that anything would ever happen between us.

Penny really pulled out all the stops when I went around to her place for dinner. Soft lights, romantic music and a wonderful meal really set the mood, and when she started quizzing me on my sex life I told her everything. She wanted to know exactly how I felt making love and if I orgasmed easily. I told her that I could usually come just by having my breasts lightly touched or kissed, then Penny asked if I'd ever made love with another woman. I shook my head and smiled shyly. Penny took this as her cue and moved closer towards me.

I spread my legs wider as she gently pushed the dildo deep inside me

spoiled for choice when it comes to partners – I've never met a man yet who's been able to resist my ample charms!

I've been studying in England for about 12 months, and although there are plenty of buxom girls like me in this country, I've found out that you English blokes love Filipino girls! John was the first person from my college to ask me out, and after we had eaten dinner he invited me back to his flat for coffee. Judging by the way he was looking at my boobs all through the meal, I guessed that he was desperate to get his hands on them, and I wasn't going to resist!

then pulled his trousers and boxers down over his ankles, before slipping my skirt and knickers off. We rolled off the sofa and onto the floor and I lay back and spread my legs wide.

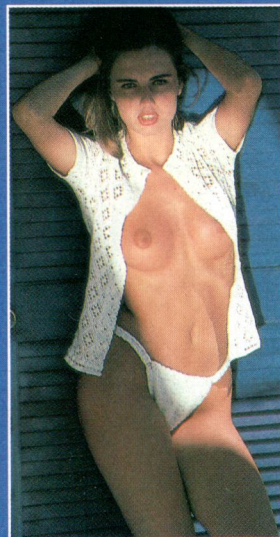

John eased his dick inside me and started to fuck me energetically, pistoning inside my wet hole with long smooth strokes. He fucked me for about ten minutes, then when I was sure he was going to come, I pulled his dick and directed his twitching shaft towards my boobs. With a loud, satisfied grunt he emptied his load all over my boobs, neck and face! It was a great introduction to the British and their way of sex...

This is the section where you talk to us – and you talk dirty! Tell us what you've done, what you are doing and what you like to do; we'll read it, we'll print it and we might even help your fantasies come true...

She took my head in her hands and kissed me gently. I felt her tongue snake around the inside of my mouth, and her hands played over my breasts. Penny then started to kiss her way down my neck and undid the buttons on my shirt and eased it off over my shoulders. She sat there admiring my boobs for a second and reached around and unclipped my bra. She gasped as my dark boobs came into view and started to work her tongue around my nipples, gently sucking on them until they stood firm.

I was in state of real arousal now, my pussy was dripping with cream and I was desperate to get stuck into Penny. Suddenly, she stood up and disappeared out of the door. "Don't worry," she whispered. "I'll be right back..." She came back a few minutes later, brandish-

ing a large strap-on dildo and a wicked grin. I gasped at the very thought of being entered by this plastic toy.

My pussy was tingling with expectation as I bent over the edge of the sofa so that Penny could enter me from behind. The feel of her heavy boobs brushing against my back and the sensation of the tip of the dildo nudging against my cunt was incredible. I spread my legs wider as she gently pushed the dildo inside and I gasped as I felt my cunt being entirely filled. I pushed back against Penny as she started to grind her hips against my bum, bringing me to the most intense orgasm I have ever experienced. It was the best orgasm I have ever had, and I made sure that I returned the compliment to Penny later on that night. My introduction to lesbian sex was something I'll never forget and I'm forever indebted to Penny for introducing me and opening up my eyes.

I have had plenty of other experiences since I arrived in London, and I find it hard

to resist when there is a chance of a sexual encounter, either with a woman or a man! At the moment I'm seeing a man called Tony, and he's just as interested in sex as I am. In fact, I'm taking him to meet Penny very soon, so I'll write in and let you know how our threesome goes! – Gabriella, London

WATER SPORTS

I always take a break around about this time of year, mainly because I

can't stand the cold British winters, but also because I'm a bit of a sun worshipper and nothing gives me as much pleasure as waking up in the morning in some foreign resort with the sun beaming in through the shutters.

I've just returned from a fortnight's stay in Gran Canaria, and I knew I had to write into Club and tell you about a couple I met there, Jane and Terry. They're from Edinburgh, they're in their mid-20s and were staying in the same apartment complex as I was. We hit it off straight away, they both enjoyed a laugh and I spent a great deal of time with them. I particularly hit it off with Jane, she's very outgoing and sociable – and she also possesses the most fantastic pair of tits that I have ever seen in my life!

I couldn't help staring at her big boobs as she peeled off her costume and sunbathed topless beside the hotel swimming pool. Her breasts were firm and round with long nipples and she seemed to relish all the attention she attracted as she rubbed suntan lotion into them until they were gleaming and her nipples were poking out. She told me that she worked as a squash coach in a sports centre, and it was obvious to see that she was very fit by her long shapely legs, curvy bum and trim waist.

"There's nothing I can do about the size of my boobs though," she confessed, giggling. "They've always been this big!"

I have to admit that I

couldn't get Jane off my mind. In fact, the very first afternoon I met them, I found myself having naughty dreams about seducing Jane when I took an afternoon siesta. I woke to find my pussy soaking wet and I couldn't resist slipping a couple of fingers inside my pussy and bringing myself to a climax. Strangely though, it wasn't Jane, but Terry, who I ended up fucking first...

It happened on my third afternoon there. I walked out to the pool to find Terry sitting alone with his nose in a book. "Jane's gone to get something to eat," he said. "Why don't you keep me company until she gets back?" I sat down beside him and we made polite con-

versation. I was wearing the briefest of bikinis, a black number with a g-string. I could feel Terry's eyes eating me up, and it became obvious that he was getting turned on judging by the bulge in his tight trunks. At one point he had to lie face down on the lounge, I think his dick would have sprung into view if he didn't!

I grinned at Terry and then motioned towards his crotch. "Having some trouble?" I laughed. "Let's see if I can do something about it..." My apartment was on the ground floor beside the pool, so I led Terry by the hand and walked in and shut the patio doors behind us. We went into the kitchen and I pushed Terry against the work top and put a hand inside his trunks. His cock twitched as I stroked it and started to work my hand up and down his shaft. I slowly peeled back his foreskin, then ran my fingertip around his helmet before beginning to wank him off. I could feel his body jerking, and within seconds Terry spurted a thick wad of come all over my hand. I flashed him a smile, then brought my hand up to my mouth and licked off his spunk.

"Feel better?" I asked him, but Terry couldn't speak. He nodded before I walked back

I slowly peeled back his foreskin before beginning to wank him off

with him to the poolside. "Not a word of this to Jane," I told him. "At least not till I've fucked her..." My chance came two days later.

The three of us headed off to the water park down in the main town. While Jane and I settled down to a day's sunbathing, Terry graciously volunteered to get some drinks and ice-cream. I busied myself by rubbing lotion onto my tummy, then Jane asked if I'd apply some to her back. She lay out on the sunlounger and pulled her bikini bottoms into the crevice of her bum so that her bum cheeks were on display. As I rubbed the liquid into her skin, Jane pushed her bum up off the lounge and started to gyrate her hips. "Between my legs," she gasped, "rub some oil into my pussy."

I looked around to check that nobody was watching,

then I snaked my hand between her thighs and rubbed the lotion on to her pussy. She quivered as I circled a finger around her hole and then plunged it inside. Her thighs clamped around my hand as I began to build up a rhythm, poking two fingers inside her pussy. I saw Terry out of the corner of my eye and pulled them out before I was caught!

The rest of the day was an amazing series of sexual escapades. It seemed that whenever Terry's back was turned, Jane couldn't resist giving my boobs a stroke or patting me on the bum! We even disappeared for a while and found a quiet corner of the park where Jane gave me her incredible head, her tongue darting in and out of my pussy as I spread my legs wide to let her in!

Later on in the day, the two of us found a hosepipe,

which I used on Jane, directing the jets of water between Jane's legs and giving her a real thrill as she held open her pussy lips to let the jets wash over her! It was a very memorable day and as the three of us sat down to dinner that night, Terry suddenly asked if we'd enjoyed making love together that afternoon.

As first I was completely dumbstruck, but when Terry grinned at us hornily we knew that he didn't care one little bit. Jane winked at me, then pretended she had dropped something and disappeared under the table. I looked to see what she was doing and, there right underneath the tablecloth, she had stuffed Terry's cock into her mouth and was sucking him off. I could hardly believe the nerve of this girl! She didn't make Terry come there and then, but we quickly wolfed down our dinner and headed back to their apartment for a threesome that was – as I'm sure you can imagine – very satisfying! – *Gina, Newport*

SWAP SHOP!

I think I must be living out every woman's fantasy...

I'm 28 years old, and although that might seem a bit on the old side, I can tell you that I'm very young and adventurous, especially when it comes to sex!

I like to keep myself in shape, and I don't look a day older now than I did when I was 18 – as both men and women are always telling me. I watch my figure too, and I'm still a 34-22-35 as I was ten years ago. I find that sex is the best exercise for keeping in trim, so I like to have a lot of it! And I'm convinced that orgasms are really good for your skin

too, and so is come!

I've always enjoyed a lot of sexual attention, from both men and women. The way I look at things is, if something feels good then you do it. So if that means going to bed with a woman or a group of guys, then you should go right ahead. I must confess that I've never had any problems getting laid, and I certainly intend to keep it that way.

As I said at first, I must be living out every woman's fantasy. For a year now, I have been married to a toyboy who's seven years younger than me – and the time I've had corrupting him, you just wouldn't believe! After all, I've been

reading *Talkin' Blue* avidly for years, so it's about time I had something to share myself, isn't it?

I met Nick through *Club International*, actually. I was browsing through my local newsagents when I spotted him buying the latest issue. He was so good-looking, my pussy was aching with lust as I looked at him, and I decided that I was not going to miss my opportunity. I chatted him up in the most brazen fashion, really giving him an eyeful of my C-cup boobs and making sure that he knew what I was about.

And what a stud he turned out to be, too! Although he's very hunky, I was surprised to find that he hadn't had all that much experience sexually – and so I had a terrific time teaching him what was what between the sheets. After three months with me, there was nothing he didn't know about pleasing a woman with his cock and tongue, and that's when I thought I ought to share some of my other sex secrets with him.

You see, I've always loved group sex, and have built up a good few contacts over the years whom I can turn to if I

really want to let my hair down. There's nothing quite like the sensation of three or four pairs of male or female hands stroking all your erogenous zones until you're begging to be allowed to come. It's something that I'd been enjoying more and more, but I'd given up when I met Nick as he was keeping me so busy. Now, I wanted to get back into my group sex sessions – and I wanted Nick in on it too.

But I didn't know what he would make of it all. After all, hadn't I had to teach him virtually everything he knew about sex? And although I knew he'd read about such things in *Club*, it's a bit different actually getting naked in front of a room full of people and seeing your other half getting fucked by someone you've never met before. But my urges were just too strong: I decided I'd have to take the plunge...

In bed one night, we got on to the subject of each other's fantasies, and Nick delighted me by saying that he'd always wanted to see me getting eaten out by another girl, so that he could watch and wank himself until I'd come, then fuck me right after. "Well, that could be arranged," I told him, and revealed every dirty detail of my swapping circle to him.

At first, he looked a bit

I parted my thighs and began to finger myself in front of everybody

shocked and I thought I'd blown it. But when I told him what a turn-on it was for me to exhibit myself in front of people and let them watch me come as I was fucked by whoever fancied doing it to me, I could see that he was coming round to the idea.

"And I'd come in my panties to see another girl sucking you off," I confided. I could see the idea taking root in his brain, and I knew it wouldn't be long before he was asking me to fix up for us to join in one of my regular swapping sessions.

Well, how could I refuse? I contacted my friend Hal and his wife Jennifer, a couple who I'd enjoyed swapping sessions with and who often held wild orgies at their isolated farmhouse. When you go to one of their do's, literally anything goes!

A fortnight later, Nick and I were walking through their front door and being welcomed with a large drink. We were both dressed quite conservatively, because that's half the fun. It all looks so normal and formal... until the sex games start. Then, there's no

holding anyone back!

Their lounge, which leads onto a large patio with a swimming pool, was filled with about five other couples, all of whom were dressed as soberly as we were. I recognised a couple of them from previous encounters, and was really turned on when I spotted Trish, a randy redhead who, I can vouch, gives the best head in Essex!

I could tell that Nick was nervous, so I knew that it would have to be me who really got the party going. That way, he'd soon get the hang of things. There was a blue movie playing on the huge TV screen in the corner, and most people were by now watching that and starting to fondle each other. One couple were down to their underwear, the guy's hand diving between the woman's thighs as he fondled her pussy. Another woman was pulling down her partner's fly zip so that she could fish out his cock and start to wank him off. Hal and Jennifer are both voyeurs: they get off on watching what the rest of us

the guys who I hadn't seen before started to give me a real body rub. He was about my height and naked, so that I could feel his stiff cock pressing right up and down the crack of my bum as he pressed into my body and started a rhythm. At the same time, his hands worked on my tits, easing the tingling in my nipples by massaging and pinching them as he sucked on the back of my neck. Trish matched his rhythm with her tongue, and I couldn't help circling my hips back against that stiff tool, working my soft buttocks against it until I felt the guy's come shoot up my back.

By now, I was in a frenzy of excitement, and when Trish lay me down on the carpet, face down, and started to lick off the come from my bum and back, I was in heaven. I knew that Nick was watching everything even though I had my eyes closed, and I knew he must have a hard-on like a flagpole by now. Trish raised my hips so that she could carry on tonguing my pussy, until a male voice behind her said that he wanted to have a go.

I looked back over my shoulder as a blond man with a very long cock manoeuvred me so that I was in the classic doggy position, and then proceeded to fill my pussy hole with his meat. He didn't rush, though, filling me up inch by inch as I gasped at the size of him.

When he started to fuck me urgently, I was panting and moaning like an animal. At the same time, his wife came over to kneel in front of me. She was still wearing a long evening dress, which she hitched up to reveal her knickerless crotch. I breathed in the smell of her pussy juice as she asked me to lick her out. I stuck out my tongue and she lowered her juicy pussy on to it. I lapped at her vigorously, enjoying the taste of her tangy juices. When she started to come I lapped even harder. Afterwards, she told me that she was so excited she almost wet herself with the power of the orgasm I gave her.

do, so they were dispensing drinks and watching everyone avidly.

This was my cue. I stood in front of everyone, with one eye on the TV screen. Nick's eyes bulged as I started to do a strip-tease just as the girl in the film was doing, fingering myself as I did so. A few moments later I was naked in front of all the people, my wet pussy in full view of them all.

"Who's going to come and taste my honey-pot?" I purred, parting my thighs. It felt so good to be doing that in front of everyone that I started to feel little orgasms rippling through me. I hooked my fingers up inside myself and frigged until I came, my whole body flushed as everyone turned their full attention to me.

Trish, as I'd guessed, was first up. She was wearing hold-up, lace-topped

stockings and little knickers, which weren't much more than a thong, really. The material at the front was already soaked through with her come juices. In seconds, she was between my legs and expertly licking at my cunt, her tongue lashing at my clit then diving inside me and penetrating just like a cock. I held on to her head and moaned loudly, my nipples jutting out hard as I started to come again. When my come juices flooded into Trish's mouth she didn't stop eating me out, though – if anything, she went at it harder than ever, until I could barely keep myself on my feet.

Then, behind me, one of

She was between my legs in seconds and expertly licking at my cunt

By now, I was relaxing my pussy muscles around the length of cock inside me, coming every few moments as the guy behind me drove deep inside me. God, it was a delicious feeling getting fucked like that and knowing that everyone else in the room was getting really turned on watching me perform. I looked around to see how Nick was enjoying the show – and to my delight he was engrossed with a busty brunette, fucking her

standing from behind as she clung to her husband and rubbed herself on to his cock too. The way Nick's hands were scrabbling at the brunette's firm buttocks, I could tell that he was going to unload his balls any moment; and then his buttocks clenched and he grunted as he came inside that juicy cunt.

Well, from then all hell broke loose. The guy fucking me shot his load and it seemed to spurt up inside

me for ages, all hot and juicy. When he'd pulled out his cock, one of the other girls got down between my legs and started to eat me out, swallowing down the come juices dripping out. She fingered me at the same time, which brought me off again. I pulled my boobs up and licked them, teasing the nipples with my tongue until I couldn't hold back any longer and had a climax, my body shaking and perspiring.

I decided then that I was going to sit out for a bit and watch the action. Jennifer handed me a drink and we both sat on the sofa and watched as the couples cavorted round in every possible sexual position you could imagine. Jennifer was really aroused: I could tell from the glint in her eyes as she watched Trish stripping Hal off and mounting him as a redhead sat on his face and

I stuck out my tongue and she lowered her juicy pussy on to it

ground her pussy on to his mouth. As for me, I couldn't take my eyes off the sight of Nick fucking two women at once. They were both lying on the floor with their legs spread wide, and he was thrusting his stiff cock first inside one pussy, just working the woman up enough so that she was on the verge of orgasm, then whipping it out and starting to fuck her friend in the same way. I loved watching as he porked them, and he'd made them both come before he reared up on to his knees and sprayed his come over both of them.

Yes, it was a pretty wild night – and the first of many group sex sessions which I took Nick to after that. He said he couldn't believe what he'd been missing, and what an unbelievable turn-on it was to see me fucking other men and women. And it's the same for me, too.

We're about to graduate to holding our own orgies in our new house, so after our first I'll write back and tell all you readers how it went. I wish you could all be there!

COUPLES CONFESS

HORNY HONEYMOON

My name is Cheryl and I'm busty, blonde and bloody proud of it too! I have to admit that I'm not actually a natural blonde (I've been dyeing my hair since I was 19, I'm 23 years old now), but I love the attention that I get from the opposite sex just 'cos of the colour of my hair. My boyfriend, Liam, is dead proud of me too and gets a real kick walking into a party with me on his arm.

Before I dyed my hair, I had always been the quiet one in the corner at parties, but as soon as I applied the peroxide I became the focus of everybody's attention and a total trouser-stiffener overnight! It was weird, because I felt incredibly sexy just from dyeing my hair and I guess it unlocked the door to my sex drive! From that moment on, until I met Liam, I had the pick of all the blokes in every club I went to and, believe me, I used to pick a different bloke every time I went out!

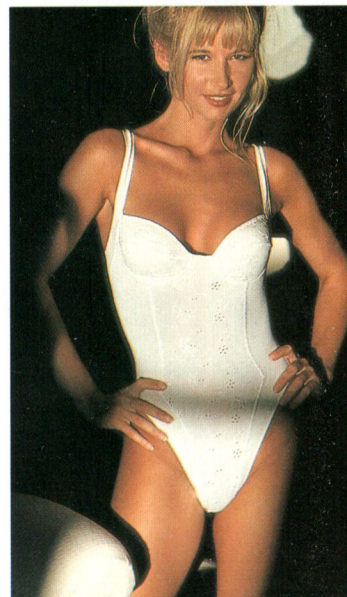

I can't say that I've really calmed down that much either. Although Liam's my boyfriend, we do allow each other the freedom to have other sexual partners. It adds something to our relationship: excitement!

I first met Liam in a pub in the centre of Bradford where I live. He had been making eyes at me all night, and when I left the pub at closing time he was waiting outside in a taxi. "Your place or mine then, darlin'?" he shouted. Well, it was just such a blatant pick-up line that I couldn't resist and I ended up taking him back to my place and shagging his brains out! Things progressed very nicely from there. I had never met anyone who was quite as liberal and adventurous as Liam when it comes to fucking. We've made love in all sorts of places; in the supermarket, bus shelters, on buses and, on one memorable occasion, in the corridors of the town hall where he works!

Even after being together for over a year everything was still fabulous but, as is only natural, I was starting

to feel that I was missing out on something I had when I was a single girl. It certainly wasn't that Liam was a bad lover, he was incredible. I loved the taste of his salty cock and the feel of his warm spunk streaming down my face, but variety is the spice of life and I wanted more dick. Things came to a head, if you'll forgive the pun, when Liam came home from work early and discovered me sucking off another man. The lucky recipient of my oral attentions was Paul, an ex-boyfriend of mine.

I assumed Liam would be very upset, but he was really calm about the whole thing. Only after Paul had left somewhat sheepishly did Liam confess that he'd been shagging Denise, a girl from his office, for the last three months! To be honest I was

relieved, rather than jealous. I understood that Liam was feeling the same way as I was and we decided then that we would be open and honest about our affairs. We still loved each other and that was all that mattered.

We also decided that if we were going to have sex with other people, then we should do it properly, so to speak! After replying to an advert in a contact magazine, we got to know another young couple from Manchester called Angie and Pete. They were in their early 20s, and amazingly, Angie was almost my double. She had the same long, straight blonde hair, slim legs and lovely pert breasts. She wasn't a natural blonde either, as I discovered the first time we went to visit them at their house...

We were all a little nervous as we sat around their living room, drinking wine and making small talk. Fortunately, Angie broke the ice by excusing herself on the pretence of going to the loo. When she walked back into the room my eyes were out on stalks; she'd changed out of her jeans and tee-shirt and was wearing a black

basque with red trim, sheer black knickers and matching stockings and suspenders.

"Would you like to touch Angie?" Pete asked me. I nodded excitedly, my tongue dry in my throat. "Where would you like to touch her?" he continued.

I eyed Angie up and down slowly. "On her pussy," I

drawled sexily.

Pete nodded animatedly, while Angie slipped her knickers off and parted her cunt lips with two fingers, inviting me to explore her most intimate area. I didn't need more of an invitation, getting down on my knees and burying my head in Angie's snatch. I ran my tongue gently around her labia, then looked up at Angie with a sexy smile, before plunging my tongue deep inside her. She tasted incredible and I lapped furiously. Pete and Liam looked on in astonishment. "C'mon lads," I urged them, "get 'em off!"

Before long we were all naked, and I got to grips with those two cocks with total exuberance. I took on Pete first, whose cock was longer and thinner than Liam's. Bending down on all fours on the floor, Pete moved behind me and eased his cock inside my tight cunt, while Liam fed his cock into my mouth. I could feel Pete's nails digging into my bum as he fucked me harder while Angie started wanking Liam's cock as I sucked on it. With a little co-ordination, Pete and Liam both managed to shoot their loads at precisely the same moment, which sent me into overdrive!

As you can imagine, Liam and I started to see quite a lot of our new fucking friends. It was a perfect situation to be in, and before long Pete and Angie started introducing us to other like-

minded couples. We started going to parties on a regular basis, parties that would invariably turn into orgies. Angie and I even perfected a lesbian show for the other guests that was undoubtedly the highlight of the evening for Liam and Pete! I think people enjoyed watching us perform together 'cos we looked so alike with our matching blonde hair and neatly-trimmed black bushes. I loved the taste of

Angie's pussy, and although I was willing to share myself with other women, I would always end up returning to Angie at the end of the night!

At the end of one of these parties, when I was enjoying my special moment with Angie, Liam came into the room and stood watching while I expertly administered oral sex to her. When Angie finally came, grinding her hips right into my face, I

Angie slipped her knickers off and parted her cunt lips with two fingers

lay back on the floor and licked my lips to savour the taste of Angie's juices. "Will you marry me, Cheryl?" asked Liam. I couldn't believe what I was hearing. I was completely astonished and asked if I'd heard him right. He nodded.

"Of course I will!" I replied. If a man loved me to the point where he would let me eat out a woman's pussy without displaying a hint of jealousy and then ask me to marry him, then this was the man for me!

We both ran downstairs to the scene of indiscriminate fucking in the living room

the hotel bar. She was stunning, with long, black hair trailing down to the small of her back. She obviously loved my hair, touching and stroking it whenever we were talking. She was so sexy that I could make myself come just by thinking about her. I wanted her and I knew that Liam wanted me to have her too...

The first Saturday night that we were at the hotel we ended up in the bar, and had quite a bit to drink. Noi was finishing work early, around ten, and she accepted our offer to join us for a cocktail. She spoke very good English

and made our announcement. It has to rate as the most bizarre proposal ever, but we were delighted!

Our honeymoon was spent on the island of Koh Samui, just off the coast of Thailand, and it was idyllic. No sex parties maybe, but all the locals were fascinated by my blonde hair. I was the centre of attention! I have to say that I didn't fancy any of the blokes – too small for my taste – but the women were amongst the most beautiful I'd ever seen. Liam knew what was on my mind, because the same thing was on his too! Within the first couple of days we had met a girl called Noi, a waitress in

I pushed my tongue all the way into her warm slit

and was constantly asking questions, and by the time the bar closed at midnight we were all pretty plastered, but still going strong. Liam suggested we should all take a walk down the beach to clear our heads – but I knew what he was thinking.

We strolled down the beach under the moonlight, our feet being caressed by the sea washing over them. I don't know why I was so bold, but suddenly I asked Noi if I could kiss her. She looked surprised, but nodded as she looked at me, her eyes

excited and curious.

Once she had pushed her tongue deep inside my throat I knew that there was no going back. Within a matter of moments we were both naked on the sand, Noi's legs wrapped around my head as I pushed my tongue all the way into her warm slit. She tasted amazing and I worked all around her pussy, savouring her sticky juices.

I didn't want Noi to climax too soon, so I unravelled myself from her so that Liam could make love to her. He was already naked, his cock

silhouetted against the moon as he lay down on top of her and plunged into her pussy.

I lay next to the two of them as Liam fucked her, totally turned on by these two people making love in front of me! It didn't take long before I came, taking my fingers out of my hole and licking them, making sure that I got every last drop of my come. Then Liam jerked and came, having pulled his cock out just in time to shower Noi's face. I moved over to her and

kissed her, licking all the spunk off her skin.

As you can imagine, it wasn't the only sexual encounter we had with Noi

during our time on Koh Samui and she helped to make our stay very special. She was very sexually experienced, and taught us more than a few new tricks. She loved my hair and asked me why I didn't dye my pubes to match. I didn't know the answer, so I let her experiment on them! It looked ridiculous, so I ended up having Noi shave me, which was a lot of fun!

Now that we are back home I decided to write to you and tell your readers that relationships can work in all sorts of different ways. And I have to say we have never had so much sexy fun in our lives! – Cheryl, Bradford ♣

julia

Photographs by Jack Harrison

Julia's not the sort of girl who lets just anyone inside her bedroom, but she made an exception for all the readers of Club. "This is where I spend all of my time," admits the 19-year-old dental receptionist from Hemel Hempstead, "but I'm afraid there's just one thing missing – a fella!

"I'm after a guy who doesn't mind spending days in here," she says. "But

he had better be prepared, I really like to put a man through his paces, believe me. He'll need a change of clothes, a few days off work and an unbelievable appetite for sex – just like me! Any offers, guys?"

Are you joking, Julia?! ♣

daisy

This is one Daisy who isn't going to surface again until springtime! The 20-year-old fashion student from North Yorkshire hates the cold weather so much that she intends to stay in her bed until March! "Of course, I'll need a little something to keep me occupied," she giggles excitedly. "Something with blond hair, about six foot tall

and with a good imagination!
"Nothing beats all-day sex sessions when it's cold outside," she reveals. "Forget having something hot inside when you go out, I'm quite happy to stay indoors with a hot, thick cock nestling inside my pussy!" ♣

Amateur Camcorder Sex!

I know they're the real thing because I made them myself

GR Video Sales, 14 Bourne Road, Bexley Village, Bexley Kent DA5 1LU

Dear Reader

Until 6 months ago, I used to buy Adult Videos myself. More often than not I got ripped off by getting only mild videos with mamby-pamby bits of titty-waving by a bunch of scrubbers who couldn't wait to take the money and run.

Well, I had a nice little windfall and decided to invest in some equipment and make my very own **real hard core videos**. I cast around discreetly among my friends and acquaintances for my "actors" and it's amazing how many of them were only too keen to get stuck in (...just goes to show the kind of people I know). I then set about making the sort of **Adult Videos I've always wanted to see**. The people doing it in these videos are really into it - they're not just doing it for the money - **they love it**.

They want you to see their pleasures, they want you to see their bodies and they want you to see every detail of how they satisfy their passion.

The result is a range of **the hottest, dirtiest Adult Videos you can hope to get your hands on**. Don't forget, the more you buy, the **cheaper** I can let you have them. Happy choosing.

Gary Robinson

The following shops have agreed to sell my videos because they're always keen to get their hands on the really hard videos for their customers. You are welcome to call there from Mondays to Saturdays from 9.30 am to 6 pm and Fridays until 8 pm.

- 14 Bourne Road (Bexley Village) **Bexley**. ► 71 Darwen Street **Blackburn**. ► 11 Surrey Street **Brighton**.
- 6 London Road **Carlisle**. ► 133 Fore Street **Exeter**. ► 3 Howard Street North **Great Yarmouth**.
- 68 High Street **Lincoln**. ► 74 Wellington Street **Luton**. ► 14 Borough Road **Middlesbrough**.
- 56 Westmorland Road **Newcastle**. ► 16 Cardiff Road **Newport**.
- 31 Athenaeum Place, Derrys Cross **Plymouth**. ► 17 Broad Street **Wolverhampton**. ► 12/14 Bootham York.

152 Denise - Strict Madam

Denise is a Dominatrix. She is into dominating men and in this video she shows us what she's best at. The man is humiliated and humiliated again. He goes through all the extremities of the perversion, although he enjoys such treatment and he always manages to do something wrong so that he may be punished. He is dressed as a maid and has to wash her parts and then carefully dry and comb them but just let him dare make one wrong move not directly to do with his task! Look at him - pathetic wretch, in his neat and tidy skirt and pinny. He looks such a fool as she uses him. As a reward for being good, he is allowed to clean her leather boots - with his tongue. He goes too far and begs to be allowed to kiss her intimately. No! So instead, he steals a kiss of her bare flesh. She gets angry (genuinely so) and scolds him like a dog. If you're into female domination - great. If you want to expand your sexual horizons, let Mistress Denise show you how great domination and bondage can be. **Yours for only £19.99**

153 Sharon - "At least twice a day"

Sharon is a young lady with a rare difference - she loves sex! Sharon's almost addicted to sex! She's young, she's beautiful (don't believe me, just take a close look at her) and she's always on the lookout for different men to satisfy her sexual desires. The first part of this horny video shows Sharon doing it with her current boyfriend, Ian. There is complete, uninhibited intimacy as they rut away until Ian loses his load all over her face. It's a lovely scene where I got close-up after close-up especially when she starts to rub it all into her body. Sharon next pairs up with Clive, a 34 year old black man. Now, I've always wanted to see a white girl getting reamed out by the proverbially big black buck and here you get everything with a few extra dirty refinements thrown in, some of them only possible because of his prodigious size. To finish her off, Rob then shaves Sharon down there, a favour she returns before they get down to some serious action that can now be caught in even sharper detail. **"At least twice a day" Sharon is yours on Video for only £19.99**

147 Marina from Poland

A girl with hair on her chest who takes part in a water sports extravaganza! Yes its true, Marina is a 28 year old dark haired Polish girl who's very hairy with several long hairs on her breasts. Some men find that very sexy. We found what she was prepared to do for money very bizarre. Marina mightn't be the prettiest woman (far from it) but she make up for that by being overly adventurous in the vaginal department.

This video shows Marina indulging in all types of water sports, doing it. Doing it on a man. Doing it on a woman. Marina having a woman do it on her.

Regular sex follows: missionary, doggy style and some positions you'd think no woman would allow herself to be seen in, especially not in front of the camera. This is a truly kinky video. It is only recommended for fans of extreme water sports who are not easily shocked. If you want to see Marina doing water sports and having people do it on her - this is for you, but remember you have been warned.

It can be yours for only £19.99

149 Maxine - The College Girl

To me this is the best ever College Girl Video. If you enjoy teenage girls in their first flush of experience, you'll go mad for Maxine. What's so great about this video? Everything. The crystal clear clarity of the picture, the whole feeling of how genuine everything is ... you almost 'touch' the electric atmosphere.

Maxine's boyfriend, Paul, insisted on staying in the room with her. At 18 years of age, she looked good enough to eat. One of the first things you see on this video, is me having a go with her - rubbing her amazingly firm little budding bosoms and licking those precocious innocent nipples. She kept looking at Paul as if unsure how he would react to her brazenness but he just seemed to get very turned on by it all. I was ready to do it with her as soon as I saw her and I only lasted a few minutes.

Anyhow, Duncan our regular big boy stud took over. He rolled Maxine over and immediately gave her a good seeing to and ends by doing it over her face. Then it's over - she's done.

Beyond Bedlam
Polygram Filmed Entertainment

Got a pause button on your video player? Then if you're desperate to see Liz Hurley's NIPPLE (and let's face it, who isn't?) simply pause the film about twenty minutes into the action and there it is, in glorious technicolour filling up the screen very nicely. I wouldn't bother with the rest of the film though, it's a real STINKER. Rating: ✓✓

Maverick
Warner Home Video
Certificate: PG

Some good advice if you're going to make a cowboy film, get in the BEST. In my opinion there's only one man for the job: CLINT EASTWOOD, the sharpest man to ever sport a fedora and a pair of spurs. Anybody other than Clint is a two-bit loser who should be FED TO THE RATTLESNAKES. Westerns are supposed to be bleak and joyless. Sadly, *Maverick* would have Sergio Leone doing cartwheels in his grave. It's a comedy, ferchrissakes.

Mel Gibson is Maverick, a sorry sonofabitch who's been swindled by all of his friends. Well tough luck, buddy! Cowboys are supposed to be meaningless critters who'd waste a man in the blink of an eye, but instead this clown just jokes his way through the film while attempting to entice Jodie Foster into his bed. Well you ain't gonna git no sympathy from this dude, no siree. *Maverick* ain't got no place around these parts, sonny - GET OUTTA TOWN! Rating: ✓

The Getaway
Warner Home Video
Certificate: 18

What is the sodding point? Sam Peckinpah's 1972 original of this

film is FAR SUPERIOR to this tosh. The only possible reason that this film was made is so that Alec Baldwin can rub every man's nose into the shit. "Hey, guys, look at me! This is my wife, Kim Basinger and I'm shagging her - AND YOU'RE NOT! HA HA!" Well, to be honest, you can't blame the man. Lucky bastard. Rating: ✓✓✓

VIDEO OF THE MONTH
Dangerous Games
Polygram Filmed Entertainment
Certificate: 18

Harvey Keitel is quite

possibly the COOLEST man to ever grace celluloid anywhere and at any time. This is a fact and I'm sorry it's indisputable. Don't believe me? Well, if you need any

further proof just get your hands on a copy of *Dangerous Games*.

This film cannot fail to be utterly brilliant: Keitel is paired up with Madonna and the man responsible for directing the whole thing is Abel Ferrara, the geezer who made the 1979 blood 'n' gorefest that was

Driller Killer.

Don't worry about the plot too much, it's fairly dull. All you need to know is that there's DRUGS, lots of them; and SEX, kinky sex.

The Harvey Keitel Is Indeed God Campaign (© Dean Isherwood, 1994) rolls on even further with the release of this way-cool film. Rent it out, or you're a worthless worm. Finally, will you please have my children, Mr Keitel? Pretty please, with sugar on top...

towards my crotch and then I felt her warm lips clamping around my cock.

Meanwhile, Cindy pulled off her tee-shirt to reveal a perfectly rounded pair of breasts. Running my hands over her tit flesh, I caressed her nipples until they stood hard and proud. I started to kiss my way down over her neck and onto her breasts, playing my tongue over her nipples and sucking on them. Her moans filled the cubicle as I nibbled on her nipples, while Carrie stopped sucking on my meat and stood up from the toilet seat. I was aware of Carrie undressing and next thing I knew I felt a tap on my shoulder and I looked to she was completely naked.

I broke off from kissing Cindy's tits and cast my gaze up and down Carrie.

Christ, what a body! Those same beautiful breasts as Cindy, slim hips and a neatly-shaven pussy. As I stood there admiring

Cindy, 'cos it's my turn now."

"Let me get him nice and hard for you first," purred Carrie, dropping to her knees and wrapping her lips around my flailing member and sucking. As her wet tongue lapped over my bell-end, I could feel my cock hardening again, until Carrie turned around to her sister with a self-satisfied grin. "There you go," she shrieked. "He's all yours!"

Cindy moved towards me and sat on my lap, grinding her hips down onto my cock. As I powered my cock inside Cindy's cunt, Carrie proffered her boobs to my mouth and I sucked on her tits. It felt incredible to be serviced so thoroughly by two beautiful women, and it got better.

Carrie suddenly reached down inside her handbag and produced a vibrator. She came in close beside me and Cindy and then started rubbing the buzzing toy over my balls. It was an unbelievable sensation. Then each time I withdrew my cock from Cindy's cunt, she ran the vibrator along the length of my shaft. It only took a few minutes of this teasing before I released another load. Cindy came at the same time too, her shouts drowning out my loud grunts. The three of us sat in the cubicle regaining our breaths, until Carrie and Cindy put their clothes back on and suggested that the three of us should get a taxi back to their place. I was fully clothed and raring to go in seconds!

Needless to say, I had myself a night to remember! Carrie and Cindy

Carrie's body, Cindy started undressing too.

"Okay, sit down on the seat, Dirk," said Carrie. "I'll go first..." I sat down with my cock poking in the air, then Cindy wrapped her fingers around my shaft and held it while Carrie lowered herself onto my lap. Her warm pussy enveloped my cock and she started bouncing up and down, planting kisses over my chest and panting loudly. Cindy stood with her back against the door facing us and spread her legs wide. I could see her over Carrie's shoulder, frigging her cunt and bringing herself to a climax. This heightened my passion and I thrust upwards into Carrie, pounding her pussy until I felt my balls tighten and then I shot my load inside her. I fell back against the cistern, completely drained but incredibly happy. "Don't get too relaxed, Dirk," laughed

were two very horny girls and I was still banging away at them until Saturday lunchtime! They've even asked me to arrange for a few of my mates to come round and see them as soon as possible. It seems that both girls are well into the idea of servicing as many blokes in one sitting as possible! I just hope Jake, Carl and the lads believe me when I tell them all the details, 'cos if they don't they'll miss out on the fuck of their lives! - Dirk, Leeds

and I catch plenty of action off it!

During the football season, our boyfriends often spend the weekend travelling up North to watch the team play, so Karen and I are left to make our own entertainment. The raunchiest time we had was with three sex-mad Australian rugby fans who needed cheering up after their team had been thrashed by England.

We met them after Karen and I had spent the day shopping, and had dropped into a pub in Earls Court for a few drinks. The place was packed with Aussies, the real beefy sun-and-surf type. We soon got talking to Pete, Des and John, and by the end of the evening we went back to their hotel.

Once we got inside their room, the mini-bar was raided and we all proceeded to get very sloshed. It was at that point that Karen and I performed our party piece for the first time. It started with Karen slipping my shoes off, then caressing my toes, before she stripped me right down to my stockings and suspenders. I guess I could blame it on the fact that we'd been drinking, but the truth is I found it a real turn-on! Karen was giving the fellas a hushed commentary too. "Hasn't she got lovely legs, boys?" she'd whisper sexily.

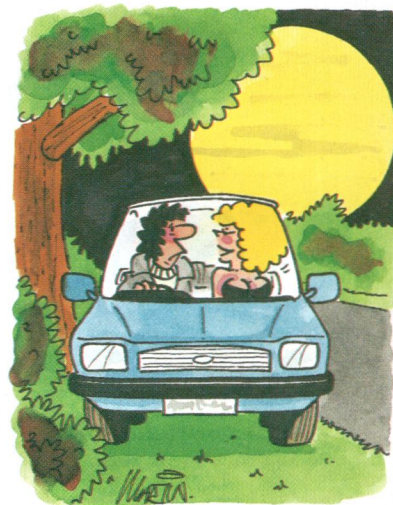

With my breath coming in short gasps, she stroked my body with the tips of her fingers and then lowered her mouth onto my boobs. I closed my eyes as I felt her tongue lapping at my nipples, and I started to moan softly. I pulled Karen closer to me, and then inching my hand up the inside of her leg I eased a finger inside her panties and began to frig her. Looking over at the lads, I saw the three of them sitting on the sofa with delighted expressions on their faces. I winked at Karen and she smirked in reply. We both knew exactly what we wanted next...

"Okay," I said, dropping onto all fours in the middle of the room and sticking my bum out in the air, "who's first?" Des was the quickest off the mark and he jumped up and dropped his trousers down to his knees. His cock bobbed into view, and it looked like the biggest thing from Down Under since Dame Edna!

He moved towards me and I felt his hands on my hips, then his thick cock nudging at my pussy lips. There was no time for the formalities of foreplay and I pushed myself back on to his cock, feeling it fill my cunt. He built

up a rhythm using long, slow strokes and I could feel his balls banging onto my arse as he fucked me. When he reached around and started rubbing my nipples, I was out of control. I was panting heavily now, urging Des to shoot his come inside me, but each time I thought he was about to come he'd slow the pace right down again.

Meanwhile, Karen was busy ministering to the needs of Pete and John. I looked over and saw that she was on her knees in front of John, and had wrapped her breasts around his shaft and was giving him a tit-wank. Pete was on the floor behind her and had eased her knickers to one side and was licking at her cunt. She was really urging him on too. "Lick my cunt and make me come," she yelled.

You've run out of petrol? That's a shame I was going to ask you to take me home and fuck me!

The filthy scenes only heightened my passion, and I could feel an orgasm building up inside me. I heard a gasp and looked over to see that John had shot an arc of spunk all over Karen's face. She immediately rolled onto her back on the floor and began tugging at Pete's cock, until he too shot his load coating her tits in a thick sheen of white spunk.

The sight of so much come pushed me over the edge and I screamed loudly as an orgasm pulsed through me. I reached back and pulled on Des's balls and he came, shooting his spunk deep inside me.

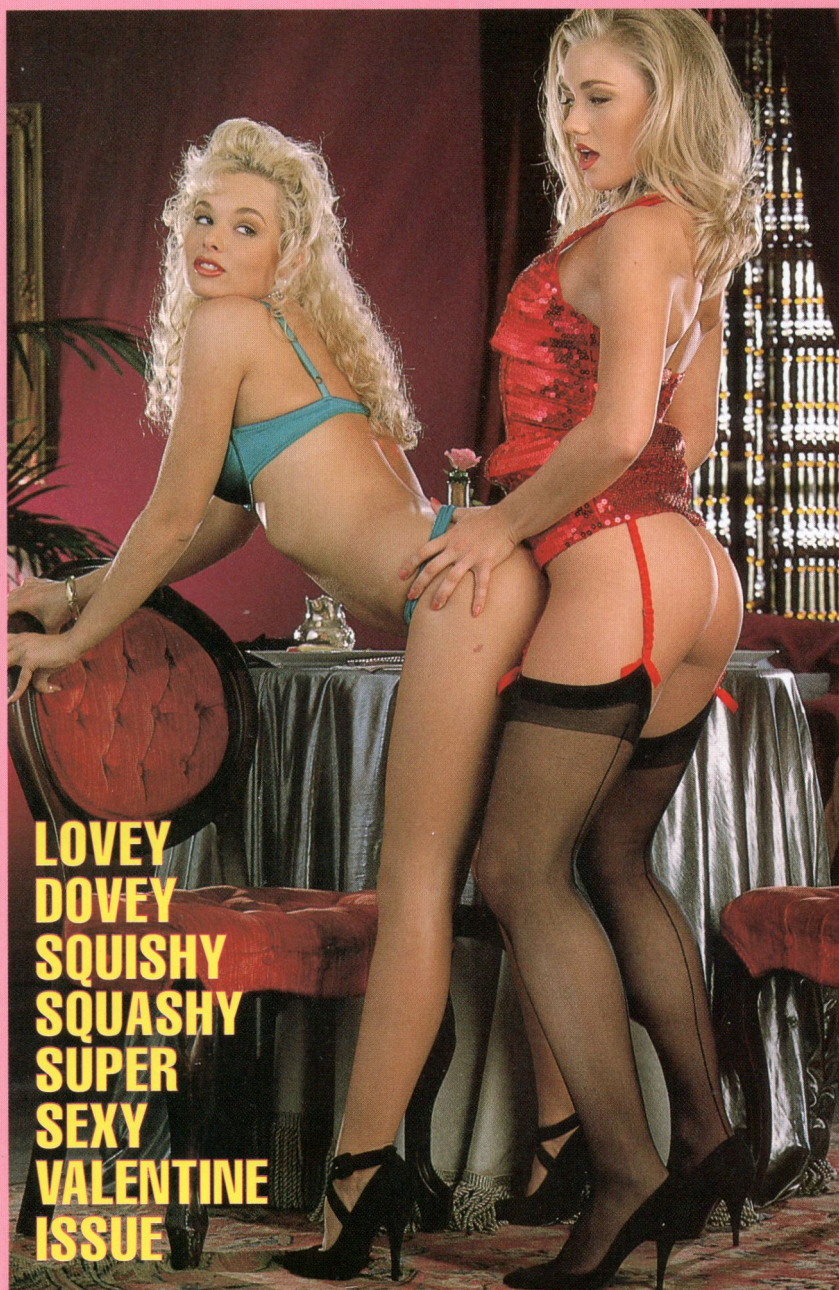

But the night didn't end there. Karen and I indulged in every form of sexual act we could think of with our three willing hunks. They had stacks of stamina, and a kinky way of drinking beer - which involved pouring it over our naked bodies and then licking it all up! The three of us were still hard at it when the chambermaid came to clean the room at nine the next morning, at which point Karen and I staggered home.

Our fellas arrived back a few hours later, having lost their match. I was tempted to tell them that we had managed to score quite a few times, but Karen and I decided to keep our secret to ourselves! - Diana, Kent ♣
